O 34 Enclosure

Sir,

I have the honor to forward for favourable consideration a petition received about a month ago from Mr Subramanya Iyer B A transferred on 14 Feb 95 in accordance with Government Order C No 146-50 dated 6 Feb 95 from the Kolar High School to this college as Assistant in charge of the Matriculation Class in room of Mr S Srinivasachar B A who died on 2nd December 1894 As he stood highest in Class IV Grade C (Rs 50 to 100) of the Educational Service list I naturally anticipated his getting a step after 11 years satisfactory service into Class III Grade C and I have written to the Education Secretary on 20 recommending his transfer into that grade

class as Mr Sriniwasa Rao his predecessor
had been in spite of opposition effected
I had asked for transfer of Mr Subramanya
Iyer not only because he was at
the head of class III grade C and has
many years service but also because
he was a Sanskrit Scholar and by
Mr Srinivasa Rao death we had no
teacher left capable of assisting with
the Sanskrit Translation of the College
and High School classes The Education
Secretary had originally opposed the
transfer of Mr Subramanya Iyer on the
ground that his Sanskrit knowledge
was very meagre Thereupon I requested
Mr Subramanya Iyer to get a certificate
as to his Sanskrit knowledge An
exceedingly good one was furnished
by Mr Seshagiri Sastry Professor of Sanskrit
Presidency College Madras on my
forwarding this, his transfer was
sanctioned by the Government order
quoted above but it was carefully
added that he was to be in his
present class and on his present pay
On my writing to the Education
Secretary, when I recommended the
transfer, I had understood that
he would be in the same class as

Mr Srinivasa Rao replied (Do) that Mr Subramanya Iyer was weak in discipline and in English and that Government could not now transfer him to the next class as Mr Srinivasa Rao's place would had been filled up by the transfer of Mr B N Narasappa the Mysore College to it Mr Narasappa had only had about a years service although this was hardly justifiable but did not write on the matter again though it was evident to me that the Education Secretary was, as proved by the statements in his letters to me, against Mr Subramanya Iyer had something to do with the difficulty of transferring him to class II c

If it be the case, as I understand it is that there is still a vacancy in that class I have the honor to request the Government to kindly grant the petition of Mr Subramanya Iyer herewith enclosed. I should be added in explanation of my delay that it would have been sent sooner but for the recent change in the arrangements for control of the

The humble Petition of P R Subramanya Iyr, asst Master Central College, Bangal

Respectfully sheweth,

That the Petr entered Govt Service eleven years ago in the Education Departm and has been discharging his duties to the entire sa -faction of his superiors.

That, finding the Petr at the top of his class (class III Grade C) and efficient to teach the Matriculation class the Principal of the Central College was pleas to recommend the Petr to be transferred to his colleg to fill the place of Mr S Sreenivasa Rao deceased with promotion to the next higher class (class II Grade C)

That subsequent to the transfer the Principal was satisfied with the work of the Petr and considering that the Petr was to get the maximum pay of his class by the end of the year that he has a much

much
larger class to teach and greater responsi-
to bear the Principal was pleased to recommend
once more to the Govt for promotion, but with no
effect as yet owing to the misfortune of the Petr

That the Petr is the only unfortunate teacher who
has lingered so long in class III, without promotion

That as the Petr has now a much costlier place to live in
with larger class to teach and greater
responsibilities to bear than before the Petr humbly prays
that the benign Govt may be graciously pleased
to promote the Petr to class II of the same grade
which commences with a salary of Rs 100 and rises
to a salary of Rs 200 by annual increments
of Rs 10

For which act of kindness the humble
all ever pray

FILE No 21 Mysore 16 August 1895

SERIAL No 13

From

To

The General Secretary to the
Government of Mysore

SIR,

With reference to Order No 2014-5 dated 8th August 1895, I have the honour to inform you that the number of appointments in each class of each grade of the Educational service has never been fixed, chiefly on account of the changes in and the increasing wants of the First Grade Colleges. Two additional Graded teachers have been given to the Central College and one to the Maharaja's College since the commencement of the present academical year. There are at present, as will be seen from the amended schedule which is enclosed herewith, 5 places in C Class I, 4 in C class II (a), 3 in C class II (b) and 23 in C class III. Among these places there is at present no vacancy. The list of Educationa

Officers as they stood on the 1st July 1895 is in the Press

2 The vacancies caused in grade C Classes I and II about the commencement of the present academical year by the death of Mr S Srinivasa Rao and the transfer of Mr N. Venkatesa Iyengar to the Meteorological department were filled up in the following manner In the place of Mr S Srinivasa Rao, two masters were appointed at the request of the Principal of the Central College in C. Class III who are Mr P R Subramanya Iyer, B A, from the Kolar High School on Rs 90 and Mr M J Narasimha Iyengar, B A, from the Archaeological Office on Rs 60 In place of Mr N Venkatesa Iyengar Mr C. N Vijayaraghavachary from the Shimoga College was appointed in Class II (b) and also Mr B Venkatamarnappa, an Assistant Master of the High School Department of the Central College was promoted from Rs 60 to Rs 80 with a view to his assisting Mr Vijayaraghavachary in the teaching of Science

3 Classes I and II of Grade C have till now been reserved for Headmasters of High Schools and Assistant Professors and Lecturers of Colleges. If however

Government is pleased to promote Mr P R Subramanya Iyer to Class II, I would strongly urge the claims to similar promotion of Mr Mr V Srinivasa Iyengar, B.A, and Mr H R Krishna Murthy, B.A, who have done excellent work in the F A classes of the Shimoga College as teachers of History and mathematics in a depressing climate for the last three and five years respectively. I consider the claims of these masters to be far stronger than those of Mr Subramanya Iyer who was until recently an Assistant Master of the Kolar High School in which place he did not distinguish himself in any way.

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.
